*First of all, Before anything
Thank you!*

They say it takes a village to pull off a wedding, but I think it just takes a group of bridesmaids as dedicated as mine. Whether you were helping me navigate spreadsheets, keeping me calm during the 'is this really happening?' moments, or just making me laugh when I needed it most, you've been incredible. You aren't just my bridal party; you are my best friends and my sisters. Thank you for making this day and my life so much more beautiful.

You will also need a indian sari. However, I’ve purchased them. We’ll let you know the price.
